

# TOOL POINTS PLUS

## How it Works

### 1. Get the Flyer - Review the Flyer for Specials

Tool Points Plus Rewards is based on your orders. Put simply: The more you buy, the more points you earn!

### 2. Place an Order

Either redeem at the point of purchase or save your points for a larger item. The more you buy, the faster your point balance grows. The more you save, the larger the reward!

### 3. Get FREE Rewards with Your Abrasives Order

...On name-brand tools and accessories or any item in the tool points plus Rewards flyer. For other monthly promotions and fast-moving items, simply call your sales person at 1-800-328-1094!

### 4. Easy and Fun

Every time you order supplies, you will receive a voucher reflecting how many points you have accumulated. If you want us to keep them for you, no problem. Just let us know when a reward comes along that you'd like, and it's on its way!

## How to Redeem

### It's as easy as 1, 2, 3!
